The mention recently made of the fact that liquor had been received at the Sumter dispensary in less than half pints—that is in short measure flasks, was occasioned by some old toppers to mean that the dispensary had commenced selling by the drink, and there have been several calls for drinks lately. For the information of all such we will state that as soon as it was discovered that the flasks were short-measure they were all reshipped to Columbia.

The Chinese ask "how is your liver?" instead of "how do you do?" for when the liver is active the health is good. DeWitt's Little Early Risers are famous little pills for the liver and bowels.—J. S. HUGHSON & Co.

Carpenters began work several days ago on the store of J. Ryttenberg & Sons. This firm has long enjoyed a liberal patronage from the trade and finding its present quarters inadequate to stock the large supply of fall goods that will soon arrive, the management have decided to renovate the store. To this end new folding stools of the latest improved pattern have been put in, and the articles are now at work on the "water-shedding" which will run from the front door back to the office. The store will be repainted.

Col. Wallace is in the city today. He says that the Charleston Custom House cisterns were pumped out and cleaned a few days ago at a cost of \$95.00, that being the lowest responsible bid. Some bids were as high as \$250. In one of the cisterns were found the staves and hoops of two whiskey barrels.

"We have sold many different cough remedies, but none has given better satisfaction than Chamberlain's," says Mr. Charles Holshauer, druggist, Newark, N. J. "It is perfectly safe and can be relied upon in all cases of coughs, colds or hoarseness." For sale by Dr. A. J. Chios.

The store at the corner of Main and Liberty, the Brown Cutlino & Delgar stand, is being remodeled for a grocery, and will be occupied on August 1st, by the Cash Grocery Company. Mr. J. M. Spann, for 14 years in the Express office, will go in with Messrs. J. T. Green and Mr. C. L. Rhame, and a stock company will be formed to which the stock and business of the Cash Grocery will be transferred.

The store that Mr. V. H. Phelps will occupy after the 1st, is rapidly increasing completion. Mr. Phelps has long been connected with J. Ryttenberg and Sons, but recently decided to do business on his own account. He has leased the store formerly occupied by Z. E. Walker and has had it remodeled from top to bottom.

Mr. Phelps will handle groceries, fruits and vegetables exclusively and when occasion demands he will be at his hospitable hospital for the kindly reception of all sick and maimed umbrellas—patients that ever need chloroform.

To Open August 1st.

The Sumter Tobacco Warehouse will open as will be seen from the announcement on our first page, on Wednesday, August 1st. Messrs. H. Beck & Suter have made arrangements to have buyers representing the best tobacco manufacturers and dealers in the country, and they promise to do all in their power to give entire satisfaction to their customers, and build up a first class tobacco market in Sumter. They have the experience and means to do so, and we hope they will receive the liberal patronage they deserve.

All who suffer from piles will be glad to learn that DeWitt's Witch Hazel Salve will give them instant and permanent relief. It will cure eczema and all skin diseases. Beware of counterfeits.—J. S. HUGHSON & Co.

She was an active and consecrated member of Wells' Methodist church, at which place her remains were interred on the 29th.

Lamar, S. C., July 12.—Dr. Jas. Josey of Cypress, S. C. died on the evening of the 11th and was buried at Wesley Chapel today at five o'clock. He was one of the most refined gentlemen in our county. He leaves his wife and two children, unmarried, about of age. His death was caused by blood poison from abscess on his hand. He was a very promising physician, and will be greatly missed all over the county. We sympathize with family.

Signs have been painted on boards placed by the sidewalks to indicate "Bicycle Limits," so that hereafter even strangers may know where they may ride upon the sidewalk and where they must get out into the street.

Neglect is the short step so many take from a cough or cold to consumption. The early use of One Minute Cough Cure prevents consumption. It is the only harmless remedy that gives immediate results. It cures all throat and lung troubles. Children all like it and mothers endorse it.—J. S. HUGHSON & Co.

The new bicycle limitations as indicated by the sign boards put down, do not allow riding on the north side of Liberty Street between Main and Sumter Streets.

On account of the absence from the city of a number of the members of the band the regular weekly concert was not given last Friday afternoon.

The band stand on the monumental square is almost completed, and will add much to the general appearance of the square when finished.

The Sumter Telephone Manufactory—that is the new factory—is now regularly at work with over 60 hands, and will increase the force as necessary. The first shipment of phones was made on last Thursday.

Reports show that over fifteen hundred lives have been saved through the use of One Minute Cough Cure. Most of these were cases of grippe, croup, asthma, whooping cough, bronchitis and pneumonia. Its early use prevents consumption.—J. S. HUGHSON & Co.

Kodol Dyspepsia Cure digests what you eat so the body can be nourished while the worn out organs are being reconstructed. It is the only preparation that will instantly relieve and completely cure all stomach troubles. Try it if you are suffering from indigestion. It will certainly do you good.—J. S. HUGHSON & Co.

RHEUMATISM and CATARRH CURED

—BY—
Johnston's Sarsaparilla
QUART BOTTLES.
IN THE SHADOW OF DEATH.

A Whole Family Cured.
Mrs. C. H. Kingsbury, who keeps a millinery and fancy goods store at St. Louis, Gratiot Co., Mich., and who is well known throughout the country, says:

"I was badly troubled with rheumatism, catarrh and neuralgia. I had liver complaint and was very bilious. I was in a bad condition every day I began to fear that I should never be a well woman; that I should have to settle down into a chronic invalid, and live in the shadow of death. I had JOHNSTON'S SARSAPARILLA recommended to me. I TOOK FOUR BOTTLES AND IT CURED ME, and cured my family too. I am very glad that I heard of it. I would cheerfully recommend it to every one. I have taken many other kinds of medicine. I prefer JOHNSTON'S to all of them." MICHIGAN DRUG CO., Detroit, Mich.

Notwithstanding the lateness of the hour there was something of a crowd on hand to meet and greet the boys. What the crowd lacked in numbers, was more than made up in noise and enthusiasm. The triumphant march up Main Street was not a silent affair by any means, and many a weary sleeper was aroused, and the consciousness of some unusual commotion.

This is the second time our firemen have taken part in an inter-state contest, under the auspices of the North Carolina State Firemen's Association, and each time the Delgars won first prize and lowered the record.

Honoring the Victorious Firemen.

The business men's committee of 12 met promptly Monday morning at 9 30 o'clock. Mr. Julian E. Harby, having been elected chairman, the entertainment of the firemen for Wednesday afternoon was at once taken up.

The committee after discussing the question of the proposed banquet among themselves and among numerous members of the two real squads, unanimously decided to give to the two real squads, share and share alike, the money that had been collected for the purpose of giving a banquet, it having been discovered that this method of testimonial would be by far the most acceptable to the two real companies, who are sorely in need of funds with which to purchase the necessary furniture for their new and elegant quarters. But the committee who collected the subscriptions realize that they have not the moral right to use this subscribed money for the subscribers. If, therefore, any gentleman wishes his money back, he can cheerfully get it by calling on either one of the committees. Julian E. Harby, H. Lee Scarborough, W. B. Boyle, of the committee.

The following programme was eventually decided upon:

At 6 30 p. m. the procession will form in front of the Court House in the following order:
1. City police in full uniform.
2. Drum corps Second Regiment Band.
3. Chief of Fire Department.
4. Delgar, No. 3, Real Team.
5. Delgar, No. 3, Real Squad.
6. Monaghan, No. 2, Hose Wagon Team.
7. Monaghan, No. 2, Hose Company.
At 6 45 promptly the procession as above formed, will take up the line of march down Main Street to Liberty, up Liberty Street to Washington, up Washington past the monument, and then across the square to the band stand.

The ceremonies at the band stand will be as follows:

1. Music.
2. Address by Mayor Stuckey.
3. Music.
4. Address and presentation of purses by Maj. Moore.
5. Music.

The festival last evening was quite a success financially and otherwise. The 2nd Regiment Band was in attendance and discoursed sweet music throughout the evening. Some seventeen dollars were realized.

The Darlington team that had engaged to come to Sumter and play two games this week, has changed the engagement to next week—Monday and Tuesday—it being impossible for the team to come this week.
